Dear Ms. Best,

This is in response to your September 23, 2019 public records request for the following records:

- Records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between January 1, 2001 and the present.

Having reviewed your request, we are able to inform you that before we can provide an estimate of the time and fees for disclosure of the public records within a reasonable time, we will need clarification pertaining to your request. Please be more specific as to the federal group you are referencing as the Oregon Department of Corrections does not track visits specific to the federal government. Please be advised this request may possibly require a manual search which will be staff intensive and rather costly.

Please email me directly with clarification.

Sincerely,

Nickie Basinger  
Communications Coordinator
